

# The Rest of the video contest rules:

1. Send a link to the video to 419-419-0095 so we can be sure and find it.
2. We must be able to see the video by July 1st and will announce the winner at the Freedom Celebration on July 2nd.
3. If by some chance we have not received seven videos in one of the two categories by that day we will announce another window for making videos.
4. Those who make a video and submit by the July 1st deadline will be included automatically in the second round as well.
5. Videos must be family friendly, will be entered in the drawing once if they are submitted by the deadline, receive a second entry if they are well done making the judges laugh or cry or say wow, and a third entry at the discretion of the judges by a majority vote.
6. The winner will then be drawn at random from all submissions. Make sure when you send in your link to the video that you include your address so we can get you your gift card if you win.
7. If the winner has not given us their address we will text one time to try to get the address. If the winner does not respond within 24 hours another winner will be chosen.
8. You may send your videos via text to 419.419.0095 instead of posting on line. However, see #10 below.
9. All videos sent to life station become the property of Life station and will likely be posted and shared on line across several platforms.
10. Remember Creativity counts.
11. Employees of the Life Station will no be eligible to win the contest. However, their family members may be.
12. Employees who enter videos will be entered in a separate contest for employees so they can join in the fun.
